### **THIS RELEASE LIMITS OUR LIABILITY. READ IT!**

By signing this form or the attached, I acknowledge that being around and working around and/or with animals is a dangerous activity, which may result in injury to me or damage to my equipment or personal belongings. With this knowledge, I hereby waive, release, discharge and hold harmless David Griner, Jamie Wallace, and Safe in Austin Rescue Ranch (“Safe in Austin”), along with its officers, directors, employees and volunteers, their heirs, executors, administrators, successors or assigns, from any and all liability for damages sustained by me, any animal owned or controlled by me, or any property owned or possessed by me. Without limiting the generality of the above, I hereby waive and release Safe in Austin Rescue Ranch, its officers and directors and all volunteers for any and all liability based on the active or passive negligence of the persons and entities listed above REGARDLESS OF WHETHER THAT NEGLIGENCE IS THE SOLE OR CONCURRING CAUSE OF THE INJURY, DEATH OR DAMAGE.

I hereby agree to indemnify and hold harmless Safe in Austin, its officers, directors and all volunteers associated therewith for any claims which may be made against them, including attorney’s fees and costs of suit in any action based upon or arising from my acts or omissions, or the actions of any animal within my control.

I further understand that working with animals in any setting may be dangerous and that it is possible for volunteer participants to sustain mortal or serious personal injury, as a consequence thereof. Knowing the risks associated, nevertheless I hereby agree to assume those risks and to indemnify, release and hold harmless all of the persons or entities mentioned above who might otherwise be liable to me (or my heirs, agents or assigns) for damages even though such damages may be caused by the negligence of the persons or entity mentioned above.
